SPECIFICATION

Zinc Bisglycinate Monohydrat
Food Grade

Product Identification

Article no.:	B18036500
Product name:	Zinc Bisglycinate Monohydrate
CAS-No.:	14281-83-5
Synonyms:	Glycine Zinc Salt, Zinc Bisglycinate Chelate
Packing:	bags à 25kgs
Shelf life:	2 years when well-closed packages stored
Storage:	Shaded, cool, dry, clean and ventilated places

Product description

Appearance:	White crystalline powder
Zinc Bisglacinate, %	≥98
Zinc (on dried basis), %	≥30
Loss on drying, %	≤1.0
pH	7.5 ~ 9.0
Particle size, %	90% passing 100 mesh

Product Individual Heavy metals

Pb, ppm	≤3.0
As, ppm	≤1.0
Cd, ppm	≤1.0
Hg, ppm	≤0.1

Product Microbiologicals

Total plate count, cfu/g	≤1000
Yeast and Mold; cfu/g	≤100
E.Coli	negative
Salmonella	negative

Information about the product named by its effective ingredient(s) and usage suggestion provide by us are believed to be cored to the best of our current knowledge. However, its usage suitability must be determined by customers end users.
